Coronation Garden (including flag-pole with flag) and fencing)	61.48	Flag	Coronation Garden	02/07/2018	6 years	£65.95	A date on the plaque indicates that the garden has been in place since June 1953. The Parish Council has always taken care of the garden, either directly or through an appointed person. The is identified as a piece of land within a boundary on the Ordnance Survey maps. Formal registration of the land is in progress.
	63.99	Fencing		07/03/2016	Not known	Not known	The flagpole was lowered on 31 March for inspection by Councillors Scholfield and Thompson. The flag mechanism and the foundation bolts, nuts and caps were found to be in good condition and the pole was raised after cleaning.
	215.75	Paving		16/09/13 (Upgrade)	Not known	Not known	
	202.00	Paving		14/07/14 (Upgrade)			
	600.00	The current price of the flag-pole is around £430, plus base cover and foundation installation (approx cost £600)					
Notice Board	240.00	(new) based on Google search	Pendleton Road (opposite Coronation Gardens)	05/05/18	Not known	£250.00	The Notice Board is located on the outside wall of Vicarage House, next to the Royal Mail collection box on Pendleton Road. The current board was put in place in 2002 during the Queen's Jubilee year. It is made of oak and was fabricated by a resident of the village, who supplied all the timber and labour at no charge. During 2020, the frame was dried out, the old fibre board was removed and replaced by a metal plate with magnetic pins and the pointing across the top of the lead flashing was renewed, again at minimal cost due to
	44.52	Replacement glazing		12/05/2012			

Whiteacre Lane lay-by	1.00 Nominal cost		N/A		Licence to maintain granted by Lancashire County Council 1998 AS found the original LCC licence papers in the archive boxes and will update further.
Christmas Tree Lights	710.00 Supplied by Blachere Illuminations	17/09/2012	Not known	Not known	Cllr Alan Scholfield has custody of most of the equipment but Cllr Thompson still has custody of some lights fitted to laths. Life estimate is 10 to 15 years for the standard white ones. Note The flashing ones have not lasted well and will only last one more season.
Various benches throughout the village (6)	Approx figure (£180 each) Google search 05/05/18 1080.00		Not known	Approx. £200 each based on google search 29/04/20	There are nine benches in the village, RVBC have records but they are not totally accurate. One is private (Pepper Hill). one is unknown (Wiswell Eaves), we have adopted the ones in Coronation Garden. Others are a mixed responsibility for maintenance as we tend do to do more than RVBC would. AS will update further.
Troughs located throughout the village	Trough based on Google Search 100.00 05/05/18 11.88 Repair of trough 43.82 Materials for boundary trough		Not known 16/01/2012 16/11/2016	Approx. £110 based on google search 29.4.20	The two stone troughs on Pendleton Road form part of the highway and/or the boundary wall so are not our responsibility although we keep them clean and have renewed a metal strap on top of the one opposite 17 Pendleton Road. AS will update further
Planters located throughout the village					Residents have provided / adopted four planters on Pendleton Road; we maintain an interest in three of them. AS will update further.

Village Plaque	207.25 Supplied by Leander Architect 11.20 Fixing nuts (Toot Station)	Located on the left-hand side of Wiswell Shay travelling towards Wiswell by the second sharp bend.	09/01/2017	Not known	Approx. £275 based on google search 29.4.20	A stone boundary feature was generously erected by local residents in 2016/2017 above the A59 bridge. It incorporates a flower bed and a 'Wiswell' sign but it is closer to Wiswell than the actual boundary which is at the footpath thorough the field gate nearer the A59 bridge.
Telephone Box	1.00 Nominal figure 46.30 Refurbishment 19.14 Replacement LED lights Further upgrades/refurbishment Further upgrades/refurbishment 123.53 121.93 92.42 327.35	Coronation Garden		Not known 19/09/2012 05/01/2018 28/05/2019 02/12/2019 06/11/2019 03/11/2020	Not known	(insurance value given at £5,000 to replace) The redundant telephone box was purchased under BT's adopt a kiosk scheme for a nominal £1. BT continue to pay for the electricity supply. The kiosk was given a coat of paint around 2014 (materials donated by Dawsons) but by late 2019 it became clear that a full repainting from base metal was required. Volunteers achieved this in 2020 final refurbishment is planned for 2021 including, hopefully, a defibrillator.
HP Office Jet Pro Printer	53.32	Parish Clerk's residence	08/06/2017	4/5 years	Approx. £80
