

**VILLAGE MEETING WITH THE MANAGEMENT OF
THE FREEMASONS ARMS
10 MARCH 2020
PENDLETON VILLAGE HALL 6.30PM**

AGENDA

1. Welcome and introduction to the background of the need for the meeting by the Chair Cllr Robert Thompson.
2. Introduction of the people present and their roles.
3. Discussion and answers to the following points from Steven Smith.
 - Waste storage arrangements and the long-term plans for waste storage
 - The future uses of 2 Old Back Lane
 - The removal of the Heritage pavement to the frontages of numbers 4 and 6 Vicarage Fold
 - The completed building works to the rear of numbers 4 and 6 Vicarage Fold which do not comply with the approved planning permission and its effect and impact on the surrounding residential properties
 - The lack of communication with the owners of works carried out on their trees and damage to fencing during building works on numbers 4 and 6 Vicarage Fold
 - Noise from extractor fans/refrigeration units which are running throughout the night and its effect and impact on the surrounding residential properties
 - Unpleasant cooking smells in the morning periods
 - Noise from customers from the rear dining area when the windows are open
 - Inconsiderate parking of customers' cars and the problems that occur with obstructing other traffic
 - Taxis leaving their engines running late at night when waiting for their customers
 - Anti-social behaviour issues – inconsiderate noise and using garden walls as urinals late at night
 - Best Kept Village Competition 2020 and Vicarage Fold
 - Future expansion of hotel rooms in the village
 - Any other points
4. Future communications with residents and The Freemasons Arms.
